

SOZO NEWS SHEET

HEALED OF ECZEMA!

“Our daughter (9) suffered from Eczema. Her arms had looked like old skin & were constantly raw they’d been scratched so much. But a few weeks after the Freedom from Freemasonry Conference she was free of it, & now has fresh new skin - it’s so smooth you would never have known she’d had it!

Also, my husband’s business has turned around & it looks like he will make a profit for the first time in three years! On our return my husband returned all his regalia that he had kept from years ago. Thank you for being so obedient in your ministry - through this we have had such freedom.” Anon

Foundation of Wholeness

If you need to see a turn-around in day-to-day living, mentally, emotionally & spiritually because you don't really know how to walk in victory, then this would be the best weekend ever for you! Would you like to feel clean, peaceful, free from fear and solid in the belief of who you are in Christ?

This conference has been a springboard for thousands for a fresh approach with the Lord to whatever life brings & has brought.

“PRAISE GOD, HE’S HEALED ME!”

“During your Foundation of Wholeness Conference in March I was brought back to great depths of worship & heights of joy & faith. I was also given a much greater sense of authority in prayer which I used profusely in the next couple of weeks. I came suffering with M.E. & also a very bad cold which improved with each meeting despite exhausting days & lots of travel.

I believe the M.E. & spirit of grief was cast out during my counsel session & two weeks later 100% health was evident!

Jewish Roots?

For anyone with Jewish blood this day will be a turn-around. See the flyer for details.

Or ...come if you are unsure of your roots.

Maybe you know you struggle with Israel, the Jews and their place in God's plan.

It would also be a perfect opportunity to glean knowledge to minister to God's chosen people.

WOULD YOU LIKE THIS TO BE YOU?

“Following the Freedom from Freemasonry Conference I felt different & started to behave differently. I'm happier & more content, & even read a book given to me about how God changes lives. Prior to this, I wouldn't read books like this.

I'm praying more, have started reading my bible, am looking things up & taking notes at church for the first time. Everything feels more real to me.

A close friend said that I was like a different person & he's thinking of coming to church to see what has made the change!" AW Bath

School '08 The T-shirts say, 'MAKE A JOYFUL NOISE'

"My favourite
part was doing
the 'show' at the
end for our
families & friends,"
said Elizabeth
Harris age 11

The challenge for the children aged 4-10 yrs leading up to Faith School was to memorise Psalm 8 (9 verses). Faith Schooler, Elizabeth Harris revealed she'd learned five on the first morning before arriving & four the next! Amazingly by 2.30pm at the presentation she (& many others) was bravely speaking them out from memory in order to receive a highly prized trophy!

(Hmm...if we learned 9 verses every 2 days for a year we'd have learned 1,638 verses - who's going to take up that gauntlet &, more to the point, who's going to listen & check you?! ;) Well done children - a wonderful accomplishment!)

Amelia Pike age 6 reciting Psalm 8
"It's alright daddy,
the Holy Ghost is helping me..."

"I really enjoyed faith school. It was fun because we did a lot of singing & dancing. I am singing & dancing more at home during praise & worship."

Thank you Becky & all the team who helped prepare & oversee Summer School '08! The children love it - we love watching it and we all think that the children are amazing learning all those verses!
