One family - five miracles!

A transcript of a very special testimony sent to us on DVD from a family who attended our **Freedom from Freemasonry Conference in the Spring:**

“Dad:- “We want to share with you the breakthroughs & the miracles that have happened in our lives recently.

Over the last few years my business, & we as a family, have struggled financially. The major thing was my vehicle had had three new engines & cost me a lot of money. A week after the freedom from freemasonry ministry at Sozo a cheque popped through our letter-box from an unknown source for £5,000, the exact cost of all I’ve spent out on the engines - that’s just awesome!”

Wife: “I’d been unwell & diagnosed with a serious condition. After the ministry at Sozo I saw the specialist & he said I’m doing far better than expected given the severity of my condition & we felt that was a real result after the generational curses were broken. Also, a particular blood count was actually in the normal range which also shows phenomenal progress, so that is miraculous!”

Daughter: “I found maths really hard compared to every other subject at school. I know everyone finds something hard but I just wasn’t understanding anything. Then after Sozo I’ve been understanding stuff & been getting the work done & I got the best grade I’d ever got which is really good!”

Son: “I’m a National League Basketball player & before the ministry I was really fed-up because I was getting injury after injury after injury to the point where I had an injury for 6 months. I was in A & E every other week. But after Sozo, where all the curses were broken off me, I haven’t been injured since - it’s been brilliant!”

Dad: “The biggest breakthrough we’ve had as a family was two weeks ago when my daughter Gemma came to church. I haven’t seen her for 20 years so that was absolutely amazing & an awesome breakthrough! Just watch this space because we’re flying!” Glory to our God.

These miracles are real and can happen to you and your family

Honour's Reward

By John Bevere

How to attract God's favour & blessing.

The power & truth unveiled of an often overlooked principle - the spiritual law of honour.

Understand the vital role of this & you'll attract blessing now & for eternity. John Bevere shows scripturally that how you value, respect, & treat others determines your rewards.

He begins with God's promise: "Those who honour me I will honour." This book teaches you how to extend your honour to your Creator, family members, authorities & those who fill your world.

A **full reward** for those who value & respect others.

A **partial reward** for those who are selective in how they esteem people.

No reward for those who treat God and His creation with indifference.

Popular culture fights against the practice of honoring parents, leaders, and children as well as society's resistance to authority and the consequences of that disobedience.

This amazing book reveals the secret to receiving more of God's blessing through honour & in doing so revolutionizes your faith. Hardback £12.99/Paperback £10.99 + £2.60 p&p

Youth Camp 08

We're both part of the furniture!
(Guess which one of us declined the sleepovers?!)

"During camp I realised God's love for me as He revealed it deep down in numerous ways. The love I'd known in my head became a part of my heart & now I know & feel it. His perfect love drove out the fear that I'd had of His love. I feel a lot closer to Him now." **Hannah Willard**

"I was really blessed how everyone was so touched in the worship, including myself. I also loved the DVD 'Indescribable' about the Universe, it was awesome. "If you look close enough everywhere, He is everywhere!" God put all those little things into creation to keep on proving yet again... 'yes I do love you.' He is an awesome God." **Elizabeth Sullivan**

"Throughout the camp I really felt God's love for me & realised, 'You can't truly love God & have a relationship with Him unless you know Him!' This REALLY spoke & convicted me - because God knows me so well but I didn't really know Him. Since the camp I've been getting to know God although it will be quite a while before I know as much about Him as He does me! Thanks to everyone for their input, spiritually & with the food!" **John Scouler**

A huge thank you to the Adams family, all the leaders and everyone that made camp '08 such a resounding success. It was clear to see how much it had blessed the young people, who bless us.

Destroying or Rebuilding Your Temple?

LAST SOZO'S MESSAGE ON CASSETTE, CD OR DVD

"We are His Temple. Looking at Godly & ungodly attitudes that affect this Temple of ours." **Marion**

Dear Marion, "Thank you for the excellent teaching on Sunday. Like most of the congregation I was really convicted to repent & the Lord is still bringing people to mind where I have hardened my heart. I don't want it to affect my walk with the Lord or my temple." Anon
