## 2009 - The Richness of Yeshua

We have been deceived, duped, and robbed. NO MORE!

We're delighted to support them as they  
move out within the community.

Tell them we're coming & to contact  
us. We'll send them details.

## Countdown to the Apocalypse

By Grant R Jeffrey

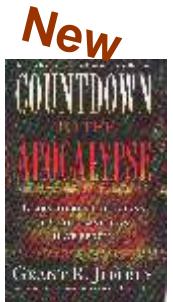

Learn to read the signs that  
the last days have begun.  
Opening Daniel's sealed  
prophecy from Babylon.

Prepare to read the most  
detailed description yet of  
the end times.

God gave only one prophet  
a precise calendar of the  
end time events that will affect the current  
generation.

Writing more than 2,500 years ago, Daniel  
described a series of cataclysmic events  
and the signs that will precede the end  
times. According to this prophecy expert  
many of the signs that Daniel pointed to are  
visible in our world today.

God allowed Daniel to see the world we will  
soon live in as we approach the time for the  
return of the Messiah. After completing an  
exhaustive study of Daniel's prophecies you  
can learn exactly what Daniel knew!
