## HE Loves Me - I am Free at Last!

"Thank you for painstakingly leading me through the breaking of the masonic curses over the phone with me in America! These curses have plagued me since my birth and it is with great joy & thankfulness to our Lord Jesus that I can tell you that I have been delivered from depression. Barriers have been broken & torn down as I continue to grow more in the Word of God. Prayer times are not a struggle, fasting is with joy & expectancy to hear from our Lord, memorizing Scriptures & proclaiming them is an everyday must that has increased fervently.

But most importantly, I believe now that He does love me...something I could not grasp as the curse of freemasonry had always seen that I suffered endless rejection which made me doubt the love of the Father....no more...no more....  
He loves me & I love Him." Anon USA

## FREEDOM FROM FREEMASONRY

Moving from curse to blessing!

**The Opportunity....** In just one week's time you could grasp this unique opportunity to deal thoroughly with the evil spiritual roots & curses of freemasonry & other brotherhoods. As a result, you & your descendants can be assured of enjoying the blessing of God's freedom achieved through repentance & deliverance. "I'm healed, I feel so clean & free!" is what we constantly hear following this ministry.

**The Fruits....** Spiritual, emotional or financial poverty, financial brick walls, relationship break-ups or lack of communication in your relationships. Gynaecological problems, barrenness or miscarriages, sickness or undiagnosable health problems, patterns of tragedy, early death, mental illness. Unsaved family, learning difficulties. Struggle to worship God or read His Word?

**RETURN TO SENDER!**

# POSTAL PROBLEMS!

We've just returned from a week's office shutdown to find out that Royal Mail have stopped holding post for businesses while they are closed. The upshot of that is that all post sent to us last week has been returned to its sender! We have complained but there is nothing they can do to redeem the situation.

**If you have sent us mail recently & it's been returned, we can only apologise & ask you to re-send it or contact us in some other way.**  
Please pass this information on to those who know us, thanks.

## Waiting on God

By Andrew Murray

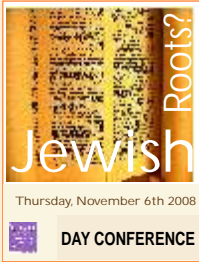

Often the 'busyness' of life can creep up & overwhelm us. Rather than depending upon our own strength, as Christians it is our privilege to enter into a time of reverent meditation & silence, waiting only upon God for:

His answers to our problems, His direction in our lives, & most importantly, His awesome presence refreshing our spirits & teaching us more about Himself.

31 meditations for each month will help renew your vision & quicken your desire to turn to the Lord for His quiet, peaceful strength. Experience the blessed art of waiting upon God. £2.50 + £1.20 p&p

LAST SOZO'S MESSAGE ON CASSETTE, CD OR DVD

"Lay a foundation of spiritual fullness & hear four things that will hold back the power in your walk.

- Lack of discernment;
- Lack of righteous judgement;
- Man's wisdom;
