"Praise the Lord!
The anointing at Sozo seems constant.
(Thank you Lord!)"

I came to the Foundation of Wholeness Conference with residual damage to my right arm, this condition was made more severe when involved in a bus smash in 2003 sustaining multiple injuries.

My right arm is now free & remains so praise the Lord. Loose tooth now gives no trouble, praise His name."

New updated messages with extra ministry

This life-changing ministry came about when a sister in the Lord approached Marion to minister to her regarding an incident with someone in authority.

As we listened to her past, which included her father fleeing Austria on the Kinder Transport' in WW2, we found that much of the pain she was experiencing was the same pain that Jewish people have suffered as individuals & as a nation for centuries.

(Incl on Tape: 'Testimony of a Liberated Jew')

When she shared that after ministry God had set her gloriously free we knew this ministry would be key to all Jews as well as those from persecuted generations.

There is a great deal of silence in the lives of people from Jewish backgrounds that has brought much trauma. This dynamic DVD will bring a great deal of inner healing & release to those who know they are not free. £6.50 + £1.20 p&p

"I'm Jewish!" "I've just returned from walking with the Lord. What made it so amazing & special is that I kept saying out loud & with a huge smile on my face, **"I'm Jewish, I'm Jewish!"**

I attended your Jewish Roots Day Conference. Thank you for your gentleness & understanding with me & for the wonderful worship which was a real help to the day. My father's family were Orthodox Jews, but my father rejected all that & hated God & any religion. My aunt & grandfather never forgave him for marrying out of the faith. I knew my roots but had no heart or warmth for the Jewish people. When Marion asked us if we would stand to proclaim who we are, I stood & something changed in my heart, a barrier came down. Thank you so much." KH Dorset

'Philly' - War Veteran Fame at 85!

God's Army Girls' ;)

Joan will now be decorated with two badges on a Sozo Sunday!

63 years hence the Government have

finally decided to issue badges for the World War 2 ~ Land Army Girls for their service to this country during the war!

We congratulate & esteem our very own **'Land Army Girl' ~ Joan Phillimore Land Army & Timber Corps - WW2**

She's now 87 & has been awarded this badge for her services in London working the land & pulling the plough horses on the fields!

(When they still had some!)

Truth be known, to her dear Lord she's still a 'land army girl' working in His fields of salvation! This badge probably really comes from Him saying, "Well done good and faithful servant!"

All Yoga Classes Cancelled!

A young lad (aged 12) was in his class at school & listened to his teacher telling them they were all going to go & have a Yoga session. He said to her respectfully that he wasn't able to do that because he was a Christian. She replied, "Well, I'm a Christian too!" Surprised, he responded, "Well you shouldn't be going either then!"

On arriving home he explained what had happened to his mother & she wisely gave him a leaflet about the truth behind Yoga to give to his teacher. He did & having read it & discussed it with the school head it has been taken off the school curriculum!

The Hem of His Garment

By John D Garr

Touching the power in God's Word

New

A beautiful book with revelations that will bless your soul & open spiritual eyes! **ANSWERS THINGS WE'VE NEVER UNDERSTOOD BUT DIDN'T KNOW WE DIDN'T!**

Jesus was a Torah observing Jew. He lived & worshipped as a Jew & garments He wore confirmed His Jewishness to others.

Not comprehending these Biblical facts has robbed millions of Christians of spiritually enriching insight. Restoring the Hebraic foundations of the Christian faith is vital. The Holy Spirit is leading believers back to long neglected truth. Lives will be enriched through understanding the Jewish Jesus.
