Jewish Roots

Day Conference: Sozo House
Saturday 21st February

Profound ministry for Jews & those from persecuted generations.

Inner-healing & deliverance from:- Offence: Persecution: Oppression: Isolation: Being misunderstood: Being hidden or hiding! Feeling an odd-one-out: Outcast: Poverty of soul. Or, glean how to minister to others.

Feel Led To Come But Can't Explain Why? Read On!

"It was a secret to others, but all my life I'd felt totally suppressed inside – like being tied up in knots. I was not free to be myself. There was much buried pain which I didn't understand.

At the Jewish Roots Conference as I reached out & touched the tzitzit (tassles) on the beautiful Tallit adorning the lectern, Yeshua lifted away all that was suppressed deep inside of me. The release I felt was like nothing I'd ever experienced before. Tears flowed & Yeshua also began to release the pain, as the revelation came from Him that I am Jewish. This revelation was so powerful that it was like being born again, again! For the first time ever, I was connected with my roots.

My family had hidden their Jewish identity way back in the generations, because of persecution. Since the conference, I've been able to find out some of the history confirming this, as doors which were previously closed to me, have now been opened. I received much deliverance & now I'm totally healed & free to be myself, no longer suppressed or tied up in knots! I can celebrate who I am - with abundant & overflowing joy. All praise & thanks to Him!" **R.T. Coventry.**

DVD Launches Best New Year Ever!

"On New Year's Eve I decided to watch your DVD of the message '**Accepted in the Beloved**'.
(Available on the bookstall)

Wow, I cannot remember ever having enjoyed celebrating a New Year so much before. Not only was the message spiritually uplifting & the teaching was excellent as usual, but also my home was filled with such peace - it was wonderful. I've never zoomed into a New Year with such excitement. So much so that as my friend & I cannot get to the meetings, we're now going to receive your Sozo Sunday messages regularly on DVD.

I'd like to encourage as many people as possible to order the DVD's & receive the ministry & healing. I found myself kneeling & receiving prayer just like I was there amongst you all." JN Kent
