GOD'S WIRRAL WONDERS!

It's A Miracle! *A young lady shared this amazing testimony of what God has done for her.*

"I came to your Wirral meetings desperate for the Lord to heal me.

I'm thirty & have suffered for 6 years from an extremely rare problem whereby all my joints keep dislocating due to extreme hypermobility. It was so painful. I was literally falling apart on the inside and have been on 4 hourly pain relief for a long time.

I was also told I could never have children as my pelvis would break in two. I couldn't breathe properly or straighten my spine; I had a block under one foot as one leg was shorter than the other, also splints were holding my toe joints in place. I kept away from groups in case anyone knocked me, & no one has been able to hug me. I was in total despair & knew I needed a miracle.

Well, it's so wonderful, I received prayer & GOD HAS MIRACULOUSLY HEALED ME!

The next day I had to take the block out from under my foot because it was so uncomfortable to stand on. My legs are now the same length & I can walk properly! I've removed all the splints from my toes, I can straighten me safely now without the fear of hurting me. I've also slept well since the whole week. We're returning all my drugs to the pharmacy. The Lord spoke to used to be able to bend it right back to touch my arm) I can't do it now - the I'm absolutely overwhelmed, overjoyed & praising God!" **Sarah - Merseyside**

my back, breathe properly, & people can hug ministry & haven't had any pain killers for a me and said 'try & bend your thumb back, (I hypermobility has completely gone!

And this!! "I was disabled & a wheelchair user for 13 years with fibromyalgia & arthritis. 3 years ago, after attending a 2nd freedom from freemasonry day you were running, the Lord healed me of fibromyalgia & I was able to walk again, praise God!

Since then I've been using a stick due to the arthritis, which has affected my joints. I was diagnosed with the disease in my early 20's & was still, on occasion, having to use a wheelchair. Two weeks before the Wirral Conference, I realised that I'd not used my wheelchair in a long time & had it sent back. At the meetings the Lord completed my healing, PRAISE THE LORD! I THREW AWAY MY STICK - THE ARTHRITIS HAS COMPLETELY GONE! I've been able to walk without pain & have regained my balance, muscle tone & speed! It was so wonderful just to be able to queue up in the ladies' toilets & to pay for car parking again, what a blessing! Our God is so Great & Mighty, I'm free!"

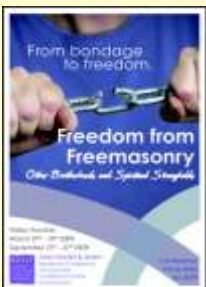

Irene, Wirral

And this!!! "On the day of the freedom from freemasonry conference when I walked in the room, my whole body felt like it was in a vice. When I walked out, I felt like ice-cream melting, all my past history just falling away.

I suffer from spinal problems & what had felt like a 'concrete collar' round my neck, during the ministry has completely disintegrated & left me - the day was absolutely incredible & I thank God & you so much." **Anon**

Best Present Ever!

"I was determined to get healed when I came as it was my birthday! I'd been ill for 18 years with M.E. I received prayer. For the first time in ages I had no pain & slept all that night!

I then returned for the freedom from freemasonry day & have found that I'm now also released to speak freely to people about the Lord. Previously I couldn't get my thoughts together, or my words out. This is so exciting. I'm restored!"

CD Going Spare!

One lady made us smile after she'd received prayer. She felt she'd been so mightily touched by the Lord that she knew she'd received her healing!

Then she said, "Hmm, I've got one problem...I've just paid for a CD on the bookstall called 'Hold-ups to Healing', could I have a refund?" ;) !!

"The warmth & grateful hearts that greeted us was overwhelming. There was a joy and expectancy that has not been seen for a long time. The appreciation of the Word when Richard & Becky preached was met with gasps of excitement. A joy to behold by the team. Thank you Julian & Ann & 'host team' for all your support - we'll be back!" **Pastor Marion Daniel**

"We, as host group on the Wirral Trip have appreciated being part of the Sozo team. We've been blessed in abundance.

We've seen precious people set free & delivered, & have witnessed inner healings as well as physical healings. We're humbled & privileged at what God has done."

Healed at Home Watching a DVD!

"I've recently watched your new Jewish Roots DVD with the added ministry on it. I'd seen the previous one & got wonderfully healed of some things so couldn't understand why I felt I needed to see the latest one.

I was very surprised at what came up & yes it was different.

I'd always felt the 'odd one out' & was afraid of persecution - there had been much over the years. I'd been dominated & controlled & subsequently had a fear of all figures of authority & felt threatened by them.

My father particularly was overprotective & I've never been allowed to be 'me'. Mother could never show any emotion. I've strived to be accepted just wanting to be loved.

I've also been inclined to panic & worry with an overwhelming fear of being forgotten, of not having any money or food.

Whilst watching the DVD & receiving the ministry, I was set free from numbness, rejection at church & work, persecution, lethargy & slumber; from being shut-down & shut-up. The curse of emotional & financial poverty was also broken. I now feel as though a huge weight has been lifted from me & am more at peace than I've ever been. I am accepted in the beloved.

I'd had a lot of deep pain regarding the Holocaust & what had happened to the Jewish people as I had Norwegian family in concentration camps. This pain has also completely gone.

I don't actually know if I have any Jewish Roots but all I do know is that I've attended a Hebrew/Christian Church & loved the music & dancing & didn't really know why.

I feel SO different! Anon
