God Wastes No Time!

"Change for the better is definitely here!

On our first day back from the Freedom from Freemasonry Conference things were brought into the light that we needed to know, but which had been hidden from us.

Now, two days later, important details have fallen into place and instead of a huge battle we have wonderful peace. Praise the Lord."

We're looking forward to ministering the much needed, 'Has Anyone Seen My Father'? teaching & Freedom from freemasonry & other brotherhoods ministry too. Do pray that those that need these areas healed, and to be set free would come and receive all that God has for them.

Home MOT with these messages on CD's or DVD

John & Becky sensitively & authoritatively face head-on the reality of the difficulties marriages can undergo.

With honesty, humour & integrity they share about areas that can often lie hidden, suppressed & unspoken about. Then they minister God's healing & deliverance, making way for a fresh approach in relationships.

Who is this teaching for?

Anyone who is married, engaged to be married or making plans. Whether you've been married one day or sixty years. The teaching is suitable for saved/unsaved people and also those wishing to gain knowledge for their future lives or ministry.

Full Service For This Couple!

Great testimony from the recent Marriage MOT Conference.

"For almost twenty years we thought our marriage was a pretty good one, & it was! I said, "If it's not broke, don't fix it", but by the Lord's mercy & grace, He showed us how much better our marriage could be if we followed wholly the Biblical aspects in our relationship.

John & Becky poured out the Lord's wisdom, love & truth giving practical, sound advice & knowledge in all areas that only the Word could bring. Their preparation, content & delivery was of the highest standard.

Neither of us knew the Bible held such a wealth on this subject. It was more than an 'MOT' as we feel brand-new again! Life is better & we're ticking over nicely, ready for God's road ahead. The 'law' says we must have an MOT", so book your's now!" **CD Hants**

"Since this day conference my husband is no longer cold towards me & the walls are coming down! It was a wonderful day for us!" Anon

Great testimonies from the Wirral

God's Tender Touch

"Thanks so much for coming to the Wirral. I came on my own not knowing what to expect but I felt so safe & loved.

I attended the meeting on Deliverance from the Occult & Generational Curses & the Freedom from Freemasonry Day.

The ministry had authority but was also so loving & gentle. I felt lighter coming away and somehow stronger And more able to stand on the Word.

I've also seen big changes in my marriage. God is good." Anon

Power of Authority

"For nearly 8 years both myself & my sons have been harassed & followed by someone. We've been in court five times due to their obsession. But, praise the Lord, Marion prayed with me & took authority over the spiritual issues & we haven't seen them for weeks, it had been daily!" Anon

Good Plan, Lord

"Richard & Helen would like to thank John & Becky for a wonderful Marriage MOT. It was good to take time to truthfully examine heart attitudes and deal with them.

We're excited and inspired about God's design and passion for marriage and our marriage in particular."

A word from the renewed, restored, teenagers...

...a big thank you to all who sent anniversary cards & gifts to us.

Please accept our thanks & appreciation; we had an abundance - too numerous to answer personally.

Our prayer for you all is, "The Lord bless you & love abound to you and be multiplied." George & Joan Daniel
