Marion's 60 Minute Trip to Hawaii!

"I've been so blessed by the mp3 message downloads on your website (www.sozo.org.) When my daughter is napping I love to play them on my laptop.

Marion's message on, **Standing at Work and in the Church** was a word in season for me. I don't like working 2 days a week leaving my family at home, and this attitude was affecting me at work. I also felt that seeing as I 'work' 24/7 as a mummy I should be able to take things easy at work. Needless to say God has dealt with me and I've repented.

The word on 'tiredness being the enemy's strategy' was also spot on. So often as mothers we get together and bemoan our fatigue, however I've chosen to make a stand and declare that when I've had plenty of rest there is no reason for me to feel so tired.

It's such a joy to be able to hear Marion's messages all the way over here in Hawaii! God bless you all." **RM Hawaii**

A Fresh Wind in My Sails!

"I'm reading Marion's book, **'Has Anyone Seen My Father?'** and am listening to the

Has Anyone Seen My Father? CD's

(Both available on the book stall today or by mail order) Really good!

I've known about the father heart of God but had never realized I didn't really trust God to stay with me (and be there for me when I needed His guidance and love).

Also, before I attended the Freedom from Freemasonry Conference life had felt like trying to sail against the wind. Hard work. **Since the conference my muscle pain has gone!** The dark areas I had under my eyes have gone too. I walked a lot in the following few days which I couldn't have done before without exhaustion & pain. I was surprised by the level of energy I had at the conference too, doing something like that would usually have been very hard. I know something is different.

I've had such a joy. Everything looks so beautiful. I'm more hungry again to learn and read the Bible too." **RM Netherlands**

Testimonies from our last conference: "Thank you all for the wonderful way you ministered to us all on the Freedom from Freemasonry Conference. It was a focused and powerful time. I believe a lot of chains binding my family were broken. The fear of death was broken over me and the assurance I now have is that I will go when the Lord calls me home and *not* the enemy." Anon

"I returned after the Conference and things have changed. I had been trying to sell my house for two years to no avail. A week after all the curses were broken I had a firm offer, things are all going ahead in the next 6-7 weeks. I praise God!" Anon
