Our Doreen...

"Our dearest Doreen has passed into GLORY on Friday 31st July. Doreen had been with the Sozo vision for 17 years & her home has been a wonderful 'haven' to many a wounded saint. She has spent countless hours in intercession for us all.

Remembered fondly for...

- ...Calling everyone 'Sunshine' (because she couldn't remember people's name ;)
- ...Her amazing 'tea party' hat at the Queen's Jubilee Party
- ...Baking wonderful coconut cake with pink icing!

We loved having her with us, but now release her to her Saviour whom she loved & served & who called her home.

Love and prayers to all the family especially Derek, Rhonda, Zoe, Peter, Ben and her daughter Jan." **Marion**

God's Word bringing healing & deliverance!

More details out soon

"I heard that, Pardon!!"

Those with any degree of hearing loss will know the day-to-day struggles it can bring.

If you have found it hard to hear on a Sozo Sunday, you will be relieved to know that we now have a

portable loop system up and running today (hopefully!).

Our system is available for any hearing aid wearer or for someone who just wants a bit more volume! Do go to the sound desk and pick up a headset and please please do not let any self-consciousness be a barrier to you hearing God's Word today. We have not come to hear some of the meeting - we are here To hear all and then be doers!

GET IN THE LOOP!

THE DIFFERENCE IS INCREDIBLE!

My 8 year old son had a very hard time at school with autistic behaviour & learning difficulties, so aged 5, I decided to home-school him.

It took me 3 years to teach him to write - he was often blank & day dreaming, it was so hard to get him to learn & understand.

I then came on your Freedom from freemasonry conference & after that things changed radically!

It was no longer hard to teach him, something was connecting, he was understanding & learning easily, no longer blank! The difference is incredible!

Glory to God, I am so thrilled!" VM

Family Given New Start!

"Dear Alan, since you ministered freedom from freemasonry to us, the Lord has been doing a work in our family.

Just four days later he broke the bondage of a secret life with pornography for our son-in-law. In less than 3 weeks God did some wonderful work in him. Our daughter is seeing many good changes.

Both my husband & I are feeling more peace, freedom & hope than we have ever experienced before. Just last week my husband received two new opportunities at his job to lead training seminars. This is an exciting change for him. Thank you so much for reaching out to help us." Anon
