"I've attended this conference & a Sozo Sunday. I now have a lightness & optimism back in my heart & spirit! The heaviness & despair since losing both my parents has lifted, like a fog that fades away. I feel a major part of this has been dealing with sin, in my life and my family's." Anon

See if you can spot who they all are - its harder than you think!

### Testimony

"Coming up to Youth Camp I'd been feeling really hungry for more of the Lord & His Word, & while there I definitely got it! We had really good teaching & DVD's about our 'foundations' & God being our Rock.

My feet have been more firmly planted on my Rock than before, & I've been standing firmer through the waves & battles that I've been faced with since." **Hannah Willard**

## Halloween - October 31st Act Now - Before the Parties!

Thinking about this now means we have time to do something before events are organised. Free signs are on the literature table for you to put on your front doors stating your desire not to be involved.

(Feel free to copy and pass to others.)

We also have a variety of helpful leaflets on the bookstall, (or do phone the office), about the deceptions of halloween. Facts help us share the truth with those who think there's no harm in celebrating it.

## 45 Words Sum Up 13 Years!

Taken from an email into the office:-  
"The past 13 years with Sozo has kept us going!

We have learned so much, been so blessed, heard from God, changed our thinking, received healings, seen prayers answered, made special friends, had family saved, been delivered, and so much more...

Thanks for helping us."  
**David & Lesley Turner**

## Lets Hear it For Our 'Home Scoular!'

Our congratulations go to home schooler, John Scoular, who got great results in his exams & is now studying, Business Studies: National Diploma & English Language A-level at Brockenhurst College, in the New Forest.

Congratulations for a job very well done to his mum too, who home-schooled him from 4 - 16yrs with ACE curriculum & a good deal of Godly wisdom!

## Cancer Gone!

"Two years ago I had a malignant tumour removed. I was careful what I said about it all because I know the power of words. I spoke 'life' over my body.

I also had to endure chemotherapy. which at times was horrendous. My body had had enough. It was then we heard about Sozo. When I attended I didn't feel to ask for healing of my physical body, but I knew I needed healing for my soul. I told Marion Daniel this & she said, "The Word will heal you," & suggested I look at the material available on the bookstall.

I obtained items about 'restoring the soul', healing of emotions etc. I've always known the power of speaking out Scripture over my life & others.

I found useful the testimony of **Dodie Osteen, 'Healed of Cancer.** **Charles Capps** small booklet, **God's Creative Power for Healing** is full of positive confessions to speak out which is very powerful. I've also appreciated **'God's Way to Ultimate Health'** by **Dr Malkmus** to learn about nutrition to improve health.

Last November I was told there is no sign of cancer in my body! I've been through a huge spiritual & physical battle by the grace of God. I don't have to understand His ways but just to trust Him. God bless you all!" **Anon W Sussex**
