"I want to thank God & His obedient servants. I came to the Sozo 'Jewish Roots' Conference & Jesus gave me back my identity. That was very special to me because I didn't like who I was & God stopped that self-rejection. It was the first time that I accepted myself." **Anon NI**

GREAT TESTIMONIES from our recent Freedom from Freemasonry Conference

A lady shared the morning after Marion ministered freedom from generational curses & the occult... "All my life, from being a young child onwards, I do not remember when I had such a good sleep as last night. It was just amazing!" **Anon**

"I gained a tremendous freedom in Worship. I was very 'stiff-upper-lip' before so this has been a real liberation for me."

"I have suffered back & spinal problems for a long time. Yesterday during the renouncing of freemasonry & brotherhoods I felt my neck stretch. It was almost like all the bits of the bones in my spine & everything attached were separated out & I just felt like something broke off my neck; like a kind of yoke."

We welcome, Evie Ruth Daniel!

Wednesday September 30th 11.23 am

We share Alan, Emma & James & Gracie's joy & excitement over the birth of their new, beautiful daughter & sister, Evie Ruth. *Let's hear their story!*

"Hi everyone, we just want to testify to God's sovereignty & blessing over the birth of Evie Ruth. Right down to what time labour began - which was after a night's sleep & she was born later that morning. It all went from 0-60 in 1/2 hr & then it was all over! Evie weighed 9lb 1.5oz & looks just like Alan!!!! (no comment :). James & Gracie dote on her & are very excited to finally have their little sister.

'Evie' is a short version of Eve which is Hebrew meaning 'life, living'. Ruth is also Hebrew & means companion, friend & vision of beauty. We're thrilled with her name especially having been undecided for the full 9 months. Thanks for all your much appreciated prayers, cards & presents! We've been overwhelmed by your love. Bless you." **Alan & Emma.**

Testimonies cont from overleaf...

"I woke up after the conference & had a really deep assurance that all the evil associated with my father's involvement in freemasonry had gone.

I'd had some prayer elsewhere before in this area but was still not peaceful. Now, after the weekend where it was all dealt with in such detail, I know it has gone & I am free.

I'm also beginning to see some tangible, positive affects already. I'm feeling better in myself & I'm aware of a new power/release.

As far as I'm concerned, after what I have seen & experienced last weekend, if I know of anyone that has freemasonry in their family & are looking for ministry I would recommend only one place, Sozo."

"I've had skin problems for twelve years since our daughter was born. I had prayer last night about it. Normally by now I'd be scratching my skin to bits but I'm ok. My skin just feels good. Praise God!"

On the first night with Marion covering generational curses & the occult I thought...

'We don't need to deal with any of that repentance stuff for that sort of thing'. And you know, it's amazing when you come here. You think you've got it all done & then Marion leads you through the things of God & you find out none of it's been done! Absolutely none of it.

So, I can only praise God for this ministry. They do things so thoroughly that you can't help but get freedom when you go from here!"

Pulling Down Strongholds

"The Israelites were called together, called to move on, & were warned of danger. How can we apply this today for victory?" **Marion**

On DVD, CD & Tape

Last Sozo Sunday's message by Marion

TESTIMONY: Two years ago a man wrote to us from abroad having listened to Marion's recorded **Wholeness Messages** Time & time again.

(These are available on the bookstall)

He shared at the time..."I have finally come to realise that the Word of God gives me the authority to command the enemy to get out & he does! I walk & cycle up to two hours a day now & live an almost normal life. What a change after spending 2005 in bed! I'd been in the middle of spiritual warfare without carrying my weapon (the Word of God). I was a sitting target!"

When over here in the UK recently he came along to the last Sozo Sunday. In his subsequent email he shares...

"I had my first Sozo Sunday this week. Praise God, I never attended anything so Biblical, right down to the battle horns, (Shofars) which came from somewhere behind me & always gave me a healthy shock. What an opportunity to open one's throat & 'shout in triumph to the God of Jacob!' The message '**Pulling Down Strongholds** was exactly what I needed!' (Available on the bookstall.)

I'd been a bit disheartened recently as I seemed to be going backward & forward at the same time. Some key, root issues were opened up on Sunday. It would be perfectly credible if someone told me the Holy Spirit arranged the whole event with me specifically in mind." **Anon**

Halloween - October 31st

Act Now! You might prevent some celebrations going ahead.

We still have time to do something before some events are organised. Free signs are on the literature table for you to put on your front doors stating your desire not to be involved. (Feel free to copy and pass to others.)

We also have a variety of helpful leaflets on the bookstall, (or do phone the office), about the deceptions of halloween. Knowing the facts helps us share the truth with those who think there's no harm in celebrating it.

Get in the Loop!

Our loop system is available for either a hearing-aid wearer, or for anyone who just wants a bit more volume. Do go to the sound desk and pick up a headset.
