Jewish Roots

Day Conference - Sozo House, Romsey

Some places left.

Thursday, 12th November

Jewish people have suffered as individuals & as a nation for centuries but you don't have to be Jewish for this day to help you significantly...

...for many others too there has been much family persecution. Sometimes it's so painful that no one has spoken about it or there is fear of exposing why it has existed. Denial sets in. Resulting trauma can leave you with offence, anger, bitterness, emotional numbness, desolation, sadness & fearing further rejection or persecution.

This is spiritual! You can be healed & set free & also learn how to help others!

A small conference with a big impact!

Booking forms available

Blessings From The Wirral

We want to extend a big thank you to our host team in the Wirral:- Dave & Marie Crawford, Paul & Helen Rodway & Irene Smith & Sandra Fletcher who looked after & served us so wonderfully. It was a great opportunity for us all to serve the Lord together & see many, many lives touched by Jesus.

The messages covered, 'Releasing Your Miracle', 'Who You Are in Christ', 'Conquering Your Mind' & 'Overcoming Rejection.'

What a spiritual feast people had from God's Word for healing & deliverance. (All these messages are available on the bookstall. Do talk to Sue - she'll be pleased to show you.) *Cont overleaf, centre column:-*

Perplexed Consultant Checks God's Work!

Testimony e-mailed to the office

"Dear All, thank you for praying with me at Your Wirral meeting last week. This week I was back at the hospital to see the Consultant & receive the results of an ultrasound scan & needle biopsy.

The Consultant greeted me by saying; "You are proving to be a mystery to me. You have had an MRI scan, an ultrasound scan & biopsy & I can't find anything, & now the lump on your tongue has reduced in size & I can't find anything!"

I was sitting there like a Cheshire cat with a big grin on my face saying; "Yes Lord, Yes Lord, keep up what You're doing!"

Then the grin faded, they gave me a local anaesthetic & poked around in my throat but still found NOTHING!

So, a very perplexed Consultant is trying to work out what has happened! Thank you for your prayers!" Anon

So Good We're Telling it Again!

We've joyfully shared this miracle testimony with you before but couldn't resist sharing it once more after reading the lovely summary the parents put in their letter to us recently.

"Our daughter Joanne received that wonderful miracle of her eye sight being restored, three weeks after your Freedom from freemasonry Conference in N. Ireland last May. As you know she had been completely blind in one eye for over a year. Tests couldn't reveal why this had happened.

Her dad stood in prayer on her behalf. One week later she said she could see colours, second week she could see the outline of trees & the third week she felt a 'funny sensation.' Her eyes started to stream with water. As we prayed she shouted. "Oh mummy & daddy I can see, I can see!"

Praise the Lord she is still rejoicing in her miracle today. My husband himself had a mighty touch from the Lord with strength restored in his legs after years of unexplained weakness!"

Continued from overleaf...

People flocked to the meetings & Becky led us all beautifully & simply into the power & presence of God in the worship. It was lovely to see the Lord at work as His Word then came forth. Signs & wonders followed. What a privilege to be a part of this.

We also enjoyed many divine appointments during the prayer & counsel times with peoples lives being turned around before our eyes.

One lady moved from being in complete mental torment to joy & peace. Her face radiated the touch of the Lord.

Another came for prayer & shared her heart about many deep traumas stretching over decades.. The next day she smiled warmly & shared she felt completely cleansed & clear from the affects of it all. Tears of joy filled her eyes as she spoke.

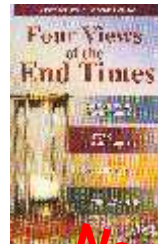

Another had withdrawn from reality & was living in a fantasy world. After attending all the messages & receiving prayer she looked so joyful, & washed in the Word.
