## Compelled to Seek A Change!

"I felt compelled to attend your Freedom from Freemasonry Conference recently. I've been moderately successful in my life but this was marred with a failed marriage, long term illness, financial ruin (bankruptcy) & inner questions of failure against an outward face of bravado. Through my ex-wife I was connected to a freemason. That night after the conference I slept with an inner peace I hadn't had before & some two weeks later I feel that a barrier to my faith had been lifted." Anon

"At the conference, as curses were broken, I felt a big change. When home I also got rid of some Persian rugs & broke bread in our bedroom. We took authority over the demonic. Peace descended upon me after this & God's Word started flowing again. Up until this time I'd struggled with my prayer life & was heavily oppressed. I'd been asked whether the rugs might have been prayer mats. This witnessed with my spirit. We naively bought these rugs years ago from a country that worshipped other gods." Anon
