### Great Testimonies from the Ministry To Health Care Workers & Carers Conference

"After 20 years of nursing I can count on my fingers the times that anyone has thanked me for my work in a professional capacity. So... when Alan said to us all, "Well done for what you are doing," it just melted my heart & released me to receive for the rest of the day.

I was released from soul-ties with patients that I'd developed a particular bond with & received inner healing from several painful situations that I have dealt with in recent years (especially surrounding patients who have died.)

I've also released the heartache that has developed during a difficult situation where a colleague has in effect been persecuting me. This conference brought the final release that was needed. I've been able to go back into work with a much lighter heart to serve my God in the workplace." Anon

"Thank you for your very gentle & sensitive ministry. So much ground was covered. God even touched on areas from my teaching career & things from the past with my parents before they died. I was able to release something I'd held onto for 35 yrs connected to my father's death. Alan's ministry over regrets was key for me & about not being weary." Anon

"I lost my son many years ago when he was 23.

I thought I'd got over it...

But... when I really needed God & to stand on His Word in faith, that's when I found I couldn't do it. Doubt & unbelief was as strong as my faith & it tore me apart because I needed to believe & I couldn't.

It was right at the end when Alan brought a word about people being there that were sat on a pile of regrets.... that was me! I'd been thinking all these years that if I could've done x,y,z or been different, or stronger in this or that area, maybe he would have lived. Those regrets had been stopping my faith. God healed my heart through that word on that day & he set me free & now I'm back believing in faith again, on its own, rather than being pulled by doubt & unbelief. A weight has gone & the next day I felt like a new person." Anon

## COME RIGHT IN

*Awesome is the wrath of God  
To the unrepentant soul  
But blessed is the Christ who makes  
The confessing sinner whole.*

*The love of God is broad and true  
He loves to save and heal  
The blood of His Beloved Son  
Can bring the Spirit's seal.*

*This sacrifice is meant for all,  
God pleads for you to know  
No sin so great but it can be  
Made white as driven snow.*

*So just believe and come to Him  
For cleansing from on high  
Into His Kingdom you will then  
With rapturous love be nigh.*

*Come right in and you will find  
Such love beyond compare  
Whate'er may be or good or bad  
Your God is always there.*

## New Walk with Jesus after Conference

"Since becoming saved I've always had trouble in my walk with Jesus. I didn't realise it was the influence of freemasonry & witchcraft in my life.

I attended your Freedom from Freemasonry Conference & on returning home I started to feel different.

My desire for worldly films, books etc stopped & I find I have a new desire. I love reading the Word & praying & telling others about Jesus.

My husband says he has a new wife & people at work say I am nicer. Keep up the good work Sozo!"
