### 'Hands Off My Life!'

"I was very grateful to be on your Freedom from Freemasonry Conference & was so touched & impressed by the courage & dedication of your team to leave no stone unturned to set the captives free. Like everyone else I am grateful to know that satan has no legal rights anymore in all these areas and his power is broken!" Anon

## Believe God, Curses Affect Our Lives!

"My uncle was a member of the Buffaloes. I was very close to him and was treated like his own child. At his funeral I was told I'd 'be looked after.' I thought nothing more of this until I attended your Freedom from Freemasonry Conference.

I started to struggle when we came to renouncing the Buffalo curses. I realised his membership had had a big effect on me and it was all very distressing.

Throughout the experience I felt fully supported by the Sozo Ministry team both physically and spiritually. Following this part of the day I experienced an uncharacteristic calmness which remains with me still and I am sleeping really well. Thank you!" Anon

## Rees Howells Intercessor

By Norman Grubb

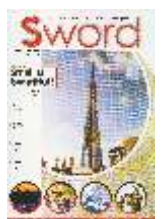

Rees Howells is best known for founding the Bible College of Wales. He was a man wonderfully inspired by God; one who learnt the Bible as the Spirit made him live it.

He left school aged 12 to work in a tin mine then coal mine. He came to salvation and faced the implications of an entire surrender, learnt to love the unlovely and found the key to the power of prayer. He became the channel of a mighty revival in Africa and was taught the principles of divine healing. He progressed so far in faith that even world events were affected by his prayers. Each chapter in this biography is full of drama and light - an enthralling story. £8.99 + £2.30
