Grounded By God's Power!

"I feel closer to the Lord since coming on the Jewish Roots conference. The praise & worship was special & anointed. When Pastor Marion prayed prayers of deliverance I felt almost paralysed. I realised how weak I am & how strong God is, it was an awesome experience. I felt God's presence move through me! I feel everyone should do this conference both, Jew & Gentile alike." **Hatty Ingle aged 14 yrs**

Joy At Feeling Happy Again!

"I attended your Jewish Roots conference & want to let you know what an amazing work the Lord has done. I've so much peace & joy inside! The next day I was in some beautiful gardens & suddenly realized I had a strange feeling. **I was happy!** I almost did not even recognize it, it's been so long. I've had a song in my heart since &, what is more, I trust the Lord again! I know He has a plan & that there is a future & a HOPE for me. I'm actually looking forward to tomorrow & the day after..."

The presence of the Lord during your times of worship is so strong! The love of God so present! The teaching is powerful & right from the heart of God. I leave truly nourished. I feel an urgency to learn more about my Jewish roots, the Torah, really all that involves my inheritance. I am slowly, cautiously finding my place as one of His firstborn children. Praise God!" **GS?**

Amazing Reconciliation With My Mother!

"I was brought up in a religious denomination/church but lapsed years ago as nothing seemed to make sense.

After much searching & trying lots of things I attended your Sozo Sunday & had some counsel afterwards. I was amazed as I realised the error in the doctrine I had previously been given - it was so sad.

My mother is in a home for the elderly, & due to some very unpleasant memories I had not visited her or spoken to her in years. The tears flowed & it was as if my heart started beating again after being dead for so many years.

All the doubts & fears faded away. On the way home I decided to get baptised & did so the following evening. Praise God!

Three days later I went to visit my mother & far from the hate I used to feel, I just felt love. I can't remember ever feeling like that towards her. I told her that I loved her & forgave her for the past & I knew that God was changing me from within." Anon

God Knows Our Roots!

"What an amazing Jewish Roots Conference. The presence of the Lord was tangible. I know He did a deep work especially when Chris Burden brought a new area of ministry to the day. She shared about us repenting for generational rejection of our Jewishness (I have no idea if I am) and marrying outside the Jewish line. We then corporately prayed prayers from an overhead & the effect on me was so powerful I could barely speak it out. Dare I say I almost felt the Lord was showing me I was Jewish, but in the natural I am not aware of that at all.

This has been a very significant Day for me." Anon

Israel - Land of God's Promise

By Murray Dixon

NEW

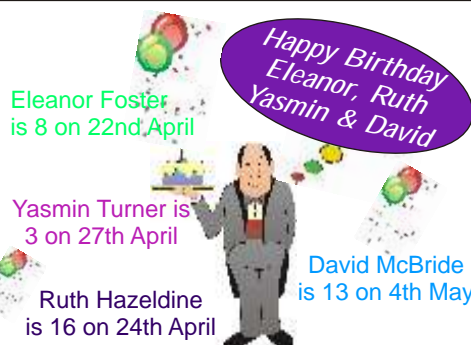

Israel - the most misunderstood nation on the planet. The Jewish people are the most consistently persecuted in all of history. Why?

This book offers clarity where confusion abounds. The author compels us to examine Church history & Jewish history in the light of God's Word. Jesus is Jewish & so are the roots of the Christian faith - why is that significant? No nation, ever, has been regathered from worldwide dispersion to its ancient homeland. And that, only after man's most hideous crime to attempt to exterminate them - why? Here are some answers!

"I recommend this book because it stirred up my spirit. It charts the history of anti-semitism in the world & the church, & shows the miraculous birth of the state of Israel to be the fulfillment of prophecy. The chapter 'The Uniqueness of Israel' is thrilling! The destiny of the Church & the destiny of Israel are closely woven together." Liz Powell
