## Come & Live in the Real World! Mythology Exposed!

**Sunday, June 20th**

Fantasy is at the root of mythology & is coming at us from every angle through the media, touching our lives in areas we didn't know about. Come and find out!

*"Neither give heed to fables and endless genealogies, which minister questions, rather than godly edifying which is in faith: so do". 1 Timothy 1 v 4*

**Is this you...?** "I pretend to be someone else."

"I wish I was born in another era."

"I want to escape the real world."

"I 'live' somewhere else in my head."

"I pretend to be living in a perfect setting."

"I feel so dissatisfied with my lot."

**'HOOKED ON FANTASY, SCIENCE FICTION, ALLEGORIES, ROMANCES, MYTHICAL BEASTS, WIZARDS?'**

## Appreciating Life!

"Before the Jewish Roots Day Conference I felt as though life was 'pointless.' I don't feel like that anymore! Also I am able to express my opinion more clearly." Anon

## This Prisoner is Free!

"What a great blessing your Freedom from freemasonry conference was to me. For years now I've felt a blockage in my walk with God & although at times I've received prayer it's been a big hindrance to me. Something happened last weekend. It's as though heavy chains that kept me captive for so long were taken off me & a joy & freedom that I have never experienced before came on me. I was even able to testify in church of what God had done for me. Praise God!" Anon

Something to look forward to...

## Sozo Residential Conferences

"Since the onset of the global recession, we've seen a decline in the number of people able to attend our residential conferences. Whilst we appreciate this may only be for a season, however short or long, we have decided not to book any new residential conferences until we see a recovery amongst God's people.

As you can see above we will be holding an exciting number of day conferences, in Romsey, or within an hour or so of travelling. As soon as we have finalised details we will announce the programme to you.

We have held day conferences for many years & they've always been anointed, special times in God's presence, with lovely fruit. Let's see what God has in store for us all." Alan Daniel

## I Can Think CLEARLY Now The Curse Has Gone!

"I only attended your Freedom from freemasonry Conference to support my friend but having taken in the ministry my mind has cleared, I can talk more calmly, think straight & respond in situations more naturally. My whole being feels clearer.

Also on my return I had a phone conversation with my son that was unique. For the first time in all his 39 yrs he made an instant clear decision & I've never known him to be able to do this. My friend also says she feels a peace that she has never experienced in her life...

*A further update a couple of weeks later... I've never seen such a change in my son. He is a different man. His girlfriend who is a special needs teacher has previously said she has never known anyone so dyslexic as him. Now though since I've attended the conference he is talking coherently, making sentences without hesitation, communicating his thoughts more clearly & has written to me the first piece of correspondence without any spelling mistakes. This is huge! I can't explain enough & he wasn't even there!" Anon*

## Family Breakthrough Follows Conference

"My grandfather & father-in-law were Masons. I wished with all my heart freedom for my family & for the future generations so I attended your Freedom from Freemasonry Conference.

When I arrived home following it *unusually* (my husband) told me I looked well! The next day I witnessed a total change in his personality, there was gentleness, kindness & compassion. I realised God's good work had started.

I now also see a change in our son. He had almost isolated himself in the house. On my return he cooked supper with my husband & sorted something he'd put off for months.

I am already seeing the fruits of my deliverance. God takes all the glory!"  
Anon

## The Curse of Secret Societies

What Does God's Word say on these subjects?

Published by MUCH

Have you, unwittingly, through 'Secret Society Oath-taking,' given the enemy control of your life & that of your family?

Great-grandfathers, grandfathers or fathers, who were, or are, involved with any Oath-bound Secret Society will automatically have brought 'a curse' upon themselves & their family. This has far reaching effects!

**Look at your family...**

Are there afflictions/family problems, divisions, broken marriages, sickness, Mental disorders, obsessions, depression, addictions etc... Is there a history of tragedy & misfortunes?

*An excellent little book that explains these issues clearly. Keep an eye on our conference dates if you know you need ministry to be set free in the name of Jesus! People's lives are transformed. £2.00 + 80p p&p*
