Jewish Roots

with Marion Daniel & Chris Burden

Saturday, September 18th

* Can you imagine simply feeling happy... Free from the effects of persecution, pain, sadness & horrors of the past? Pain that's become so deeply hidden in the generations & passing of years that you've merely learned to live with it. **Take hope all Jews & Gentiles....** Father God knows what you carry deep in your soul & will divinely heal & release you to newness of life. This day is precious. No longer feel the outcast or isolated, misunderstood... & much more. Come & receive all that God has for you.

Ministering to Health Care Workers & Carers

with Alan Daniel

Thursday, September 23rd

"Do you struggle with daily tiredness? Has the stress of other peoples' needs or demands built up? Do you have difficult memories or carry guilt about someone who suffered poor treatment. Maybe you lost a patient who you'd nursed for a long time & was close to you? Have you been persecuted by those over you? Come & be released from oppression, restored in your compassion & spiritually 'cleaned-up' from all the sickness & weariness of care. Find out how you can walk in victory in times that lie ahead!" Alan

A Day of Deliverance

with Marion Daniel

Sozo Ministries International - Welcomes

Marty Goetz "LIVE"

Marty Goetz has been called a modern day prophet. His songs are scriptures beautifully set to music... leaving listeners spiritually moved, inspired and educated. With melodic and fresh musical arrangements, Marty Goetz has the ability to lead you into a place of true intimacy with God. In 1965, when thirteen year-old MARTY GOETZ stood at the tomb of Cleveland's 'Temple on the Heights' for his Bar-mitzvah and solemnly sang the ancient words of the Torah, no one - least of all Marty - could have envisioned that some twenty years later he would be singing to God, this time as a featured performer at Billy Graham's Rally in Central Park.

We are thrilled to announce Marty & Jennifer Goetz will be with us for two very special events.

Great Testimony Punchlines....

"After your teaching & prayer on Rejection & then Freedom from freemasonry my mind was so clear where previously I'd been in a fog for years & years." Anon

"I am so thankful to God! I attended your Freedom from freemasonry conference although I didn't know of anyone in my family who'd been a mason. Afterwards I felt really clean inside. 3 days later I started to feel better & by the end of the week I was feeling great. It is now over 6 weeks later & I still feel great! I've been driving all over the country visiting friends & family & am getting involved in church life. None of this was possible before! I truly believe the root has gone." RM

"Coming to your conference really opened our eyes to the truth concerning things we never thought were involved with freemasonry. I have felt such a peace in my life since that ministry, apparently even my countenance has changed." SH N.I.

"I'm so excited...I've read the book, Messianic Church Arising & it covered honouring God with our Firstfruits. I'd just received an increment for passing my probationary period in my new job. I want to bring my first fruits to Sozo, it seems perfectly appropriate, I don't want to miss out on this blessing!" SW Devon
