with Marion Daniel & Chris Burden

Maybe you lost a patient who you'd nursed for a long time & was close to you? Have you been persecuted by those over you? Come & be released from oppression, restored in your compassion & spiritually 'cleaned-up' from all the sickness & weariness of care. Also help to stay in victory!

## Free to Enjoy Reality!

"During the teaching on mythology & fantasy, Pastor Marion brought a word of knowledge for people who had isolated themselves in their bedrooms to escape from reality. I was amazed! That was exactly what I'd done!

For many years as a child/teenager I'd imagined being someone else & dreamed of a better life in order to escape the realities of living in a difficult home situation. I imagined that I'd been adopted or 'switched at birth' & dreamed of living elsewhere in a 'normal' family.

I idolised one particular celebrity on television who became my perfect, long lost older sister in my dreams. After a particularly difficult time, I actually packed a bag & was on the verge of leaving home to go & find her.

At every opportunity I hid in my bedroom & buried myself in novels, fiction & fantasy. All I was doing was trying to escape the pain of reality.

As Pastor Marion brought forth this teaching, I realised that mythology was the root of the isolation that I had felt for years, even within the body of Christ. That root is now broken; I have been able to forgive my parents, my father in particular for the pain he caused & now I am free to live in the real world. Since receiving this ministry, I have visited my mum in the family home I grew up in. When I visit now, I actually sleep in the same room as I did then. I broke bread in the room & the oppression in the room immediately lifted.

I am now totally free to live the life God has called me to live & I no longer have to live in my imagination & dreams. I can live in the here & now without fear & look forward to the future with hope, knowing that

I am God's child & have a part to fulfil in the Body of Christ." Anon

# Marty Goetz

## "LIVE"

Marty Goetz has been called a modern day psalmist. His songs are scriptures beautifully set to music, having intense spiritual depth, moved, inspired and educated. With melodic and fresh acoustical classic arrangements, Marty Goetz has the ability to lead you into a place of true intimacy with God. In 1965, when thirteen year-old MARTY GOETZ stood at the bimah of Cleveland's Temple on the Heights for his Bar-mitzvah and solemnly sang the ancient words of the Shema he was one - least of all Marty - could have envisioned that some twenty years later he would be singing to God, this time as a featured performer at Billy Graham's Rally in Central Park.
