“Having ministered this topic for a number of years now, I know that it has been very impactful and dynamic for many people, and that feedback has been extremely positive. This is a super opportunity to allow God to minister to all those who tend and care for us when we are at our most needy. Where would we be without these skilled, dedicated people?” Alan

Ministry to Health Care Workers
What is that all about?

"Having spent 12 years in front-line medical work in the Ambulance Service, I realised that I spent my life tired and washed out. I could spend 2 weeks in the sun and first shift back at work I would be exhausted again. As my Christian walk with God developed, I realised that I was helping people who were amidst some of the biggest crises that they had ever had the misfortune to experience.

How did I spiritually deal with the shock, horror and stress that I witnessed day in, day out? The answer - I did nothing.

Why was I plagued at night with spiritual darkness and thoughts of death? I did not know!

Why was I devoid of emotions? Because my coping mechanism was shut down? Was that God's best for me?

*Where did the compassion go?
How could I see the funny side of other people's trauma?*

God definitely wants His people out there helping others and a large number of health workers are believers.

What a reassurance it is to find out that your Carer, Nurse or Doctor is a believing Christian.

We need to find out how God can minister to us before work, at work and after work, to keep us spiritually ahead of all situations and clean us up from everything that has knowingly or unknowingly affected who we are and how we behave."

Alan Daniel

What memories haunt us? Perhaps it's a feeling of guilt for someone who suffered poor treatment or a patient we lost that we had nursed for a long time and was close to us? Perhaps we need prayer because we were persecuted by those over us?

For each person it will be different - but God wants us ALL to be set free of any wrong influence or pain that we have carried around with us!

COME AND JOIN US FOR A TIME OF POWERFUL PRAYER MINISTRY AND SOLUTIONS FOR THE FUTURE.

This day is open to anyone who has cared for, nursed or looked after people even if that is loved ones at home. If you are in doubt feel free to call us and discuss.
